

Litigation

We do not believe in a one-size-fits-all approach to litigation. Every client and every business dispute is unique. We recognize that clients' individual motivations and objectives require tailored approaches and strategies.

In certain situations, it's necessary we resolve a dispute as expeditiously as possible. Other times, we need to fight hard, to not back down, and to win. Whatever the objective, our litigators have the demonstrated ability to partner with clients, formulate clear strategies, and deliver creative solutions to resolve disputes.

Efficiency in the practice of law is increasingly important. With access to cutting-edge technology and dedicated support services, we are able to deliver top quality legal services while helping clients control costs.

Above all else, we deliver results. Serving both the public and private sectors, our litigators have earned a strong reputation for the tremendous successes they have achieved in high-stakes litigation. Our litigation practice covers the full spectrum of services, including trials and appeals in federal and state courts, as well as all forms of alternative dispute resolution.

Clients benefit from our size and firm-wide resources, including deep substantive expertise in a variety of specialty and industry practices, including:

- Antitrust
- Construction
- Environmental Law
- Financial Services
- Foreign Corrupt Practices Act (FCPA)
- Healthcare
- Insurance Recovery

- Real Estate and Eminent Domain
- Telecommunications
- Technology

Clients from coast to coast trust us with their litigation. Read about some of our recent landmark victories to understand why.
