

Wetlands & Riparian Permitting

We are experienced in representing landowners and developers on wetlands issues, including permitting and valuation matters.

We also perform extensive water quality work related to the construction and entitlement/development of land use and infrastructure projects.

We have experience in negotiating California Department of Fish and Game Streambed Alteration Agreements (Section 1600 et seq), and in obtaining Section 404 permits from the U.S. Army Corps of Engineers pursuant to Clean Water Act requirements and 401 certification from the Regional Water Quality Control Board.

AREAS OF CONCENTRATION

- Air Quality
- CEQA & NEPA
- Climate Change & Resiliency
- Coastal Development
- Contamination & Natural Resource Damages
- Endangered Species & Wildlife Law
- Environmental Litigation
- Initiatives & Referenda
- Land Use Entitlements & Litigation
- Oceans, Marine Life & Maritime Transportation
- Telecommunications Facilities
- Water Quality
- Wetlands & Riparian Permitting
