

Derek A. Lazzaro

Chief Information Officer
Los Angeles

dlazzaro@nossaman.com

213.612.7889

777 South Figueroa Street, 34th Floor

Los Angeles, CA 90017

Derek Lazzaro leads our information services and related support functions, including information technology (IT), risk management and compliance, knowledge management and library and legal support services. Derek works closely with the Executive Committee, Technology Committee, Practice Group Leaders and the Administrative Management Team to deliver innovative solutions that align the firm's IT strategy with cybersecurity best practices to accelerate business outcomes.

Prior to joining Nossaman, Derek served as Chief Information Officer at an AmLaw 100 firm and at a higher education research institute.
