1401 New York Avenue, NW, Suite 800
Washington, DC 20005

Samuel Tsuma provides paralegal support and has extensive experience in litigation matters, including insurance defense and insurance recovery. He is involved in all stages of discovery process, including document reviews, production and identifying deficiencies in the process. Samuel works alongside attorneys in preparing and organizing exhibit materials for depositions, drafting various legal pleadings and preparing answers to interrogatories.

Samuel is skillful with the application of technology solutions in research and project management. He utilizes LexisNexis in researching compliance guidelines and information on claims, creates search term parameters for review and analysis of data on an e-discovery platform (Relativity) and sets up new cases and managed files on a case management platform (Clio).
